# INDEX

A

Abscess, amebic, of liver, hepatic function tests in diagnosis of, 135
Accidents and disorders, obstetric, coagulation defects in, 695
ACTH, clinical use of, corticotropin, and adrenal corticosteroids in intractable edema, 621
and adrenal corticoids, failure of, to alter course of hepatic coma in advanced portal cirrhosis, 138
eosinophil response to, effect of salicylate and of para-aminobenzoate on, 150
therapy of nephrotic syndrome, varied patterns of water and sodium diuresis during, 180
Adams-Stokes disease, possible therapeutic value of cholecystectomy in, 386
Adrenal corticoids and ACTH, failure of, to alter course of hepatic coma in advanced portal cirrhosis, 138
corticosteroids and corticotropin (ACTH), in intractable edema, 621
Adrenergic blocking agent, Regitine, effect of, upon glucose tolerance curve in peptic ulcer, 392
Adrenocorticotropin *see* ACTH
Adult, toxoplasmic chorioretinitis in, 205
Agammaglobulinemia, acquired, with hypersplenism, 406
Aged, diagnosis of cardiac hypertrophy in, 525
Akerson, I. B., *see* Gottfried, S. P., *et al.*, 34
Alcoholism, acute, chlorpromazine in, 363

Antigen-antibody properties in tissues of rheumatoid arthritis, failure of skin testing to detect, 191
Antigens, recurrent herpetic lesions injected with herpes viruses or their, 477
Aortography, thoracic, and angiocardiography in congenital cardiovascular lesions, 549
Aramine (metaraminol), vasopressor agent, in normotensive subjects, 661
Arterial blood gases in chronic pulmonary emphysema, effects of carbonic anhydrase inhibitor on, 193
Arthritis mutilans with sicca syndrome, atrophy of auricular and nasal cartilages following chorionic gonadotrophins in, 55
rheumatoid, failure of skin testing to detect antigen-antibody properties in tissues of, 191
Aspirations, "dry tap" bone marrow, 63
Atherosclerosis, an approach to: *in vivo* dissolution of metastatic calcium, 142
coronary, serum beta lipoproteins and somatotypes, postmortem studies on, 294
Atherosclerotic and lipemic individuals, lipoprotein studies in, by means of paper electrophoresis, 34
Atrophy of auricular and nasal cartilages following chorionic gonadotrophins in arthritis mutilans with sicca syndrome, 55
Auricular and nasal cartilages, atrophy of, following chorionic gonadotrophins in arthritis mutilans with sicca syndrome, 55
Automobile travel, dangers of inactivity during, 475
